April 28, 08 I’m now going to the toilet 6 to 8 times a night and even though I’m taking Flomax tablets the flow is very light.

Park says, “If Office 99 makes a profit, it all gets handed over to Office 39.”

As quickly as their chest pounding war speeches wane, they are ready to move on to the next sound bite.

The government has begun to tackle obesity and inactivity but converting good words into action is very difficult.

It would immediately recall baseball’s steroid era, where every feat of strength was viewed with skepticism.

I have just went to take off your head and I can afford my “habit.”

It seems to be in the worst shape, however it is blooming.
